

Product Change Notice (PCN)

Date: 08/31/2016

PCN Number: PCN-65690916R-01

To Our Customers:

We appreciate your use of CUI products. Our commitment in maintaining and improving processes is demonstrated by plans to enhance our product quality, reliability and manufacturability. The purpose of this notice is to inform you of a product change.

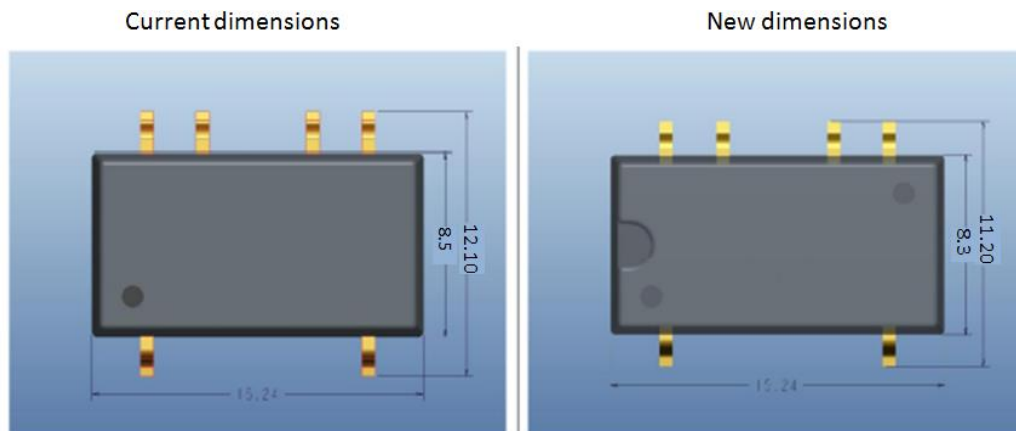

Product(s) Affected: V78-500-SMT series and V78-1000-SMT series (including SMT-TR configurations).

Reason(s) for Change: Automated manufacturing process improvements for reliability.

Description of Change: The V78-500-SMT and V78-1000-SMT series have been updated with minor changes in packaging to accommodate manufacturing process improvements.

The primary changes are to package width from 8.50mm to 8.30mm (including pins changed from 12.10mm to 11.20mm).

The new design will be distinguished with a semi-circle for the pin-orientation marking.

Affected Date Code: 09/02/2016

Product Availability: For orders received effective immediately.

Additional Information: Existing PCB layouts should not be affected by the change. Testing has shown backward compatibility to the current recommended PCB layout.
